ANIMAL TRANSPORT TERMS AND CONDITIONS

Thank you for allowing Blue Ribbon Transport (BRT) to service your alpaca transportation needs. Since we are transporting your animals with ours and other farms’ animals, we are using stringent biosecurity requirements. This agreement states the terms and conditions for this transportation service. Please read this agreement, sign it, and submit a signed copy with a 50% nonrefundable down payment to the address above.

Animals must have proper documentation to satisfy the health requirements of the states and/or venues they are being transported to and from; and farms must provide documentation to BRT.

- At a minimum, all transports require the following documentation:
 - Certificate of Veterinary Inspection
 - Lab results or veterinarian statement indicating a negative PCR BVDV test
 - Latest fecal results
 - Copy of ARI certificate
 - Microchip numbers
- All health issues must be reported prior to pickup.
- BRT reserves the right to refuse transportation of any animal that we feel may not be suitable or in poor health for traveling.
- It is understood that BRT cannot be held responsible for the animal’s health or condition(s) for any reason. The result of any loss or injury for any reason will require the client to seek restitution from the named insurer and not BRT.
- BRT will use reasonable and customary care in transporting animals. If necessary, we will seek veterinary care. If you cannot be contacted, you authorize BRT to seek medical care, as deemed necessary. BRT will invoice sender for any veterinarian expenses and fees incurred.
- Alpacas to be transported must be delivered to our farm prior to departure, and picked up upon our return. We may be able to make fee-based special arrangements if you require pickup and delivery.
- Legal Venue. The laws of the State of Ohio shall apply to all arbitrations or any suit filed in court.
- Force Majeure. BRT shall not be liable for damages or for any delay or default in performing hereunder if such delay or default is caused by conditions beyond its control including, but not limited to Acts of God, Government restrictions, wars, insurrections and/or any other cause beyond the reasonable control of the party whose performance is affected.

Rates and Payment Terms

A nonrefundable 50% deposit is due with the return of this agreement, with the balance when you drop off your animals. The full fee must be paid prior to departure. Please refer to the order form documents that are specific to a particular show.
